

WILDEST DREAMS

If you could build anything, what would it be?

Would it have leg fingers? Would it have gears to make it move? Build the coolest thing you can imagine.

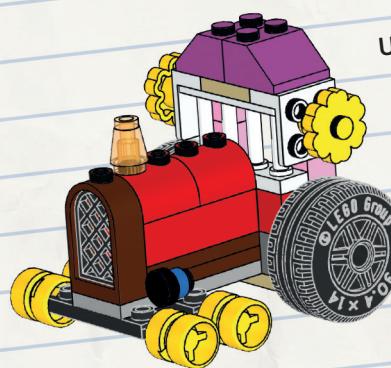

This wacky build and other amazing ideas can be found inside the **10698 LARGE CREATIVE BRICK BOX**

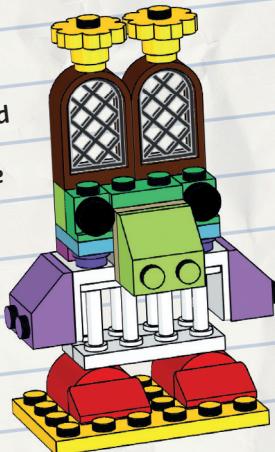

Tips and Tricks: Help your LEGO® fan build their dreams.

You can build just about anything with a handful of bricks and a little imagination. Crazy animals, cars, aliens, houses or robots. You can even take trips to the farm, the city or outer space.

We gave one of our master builders a few bricks. He created two unique and cool builds using the same few bricks. See how he mixed up the bricks to create different elements in his creations?

Use a curved window as ears or the front of a train.

Now it's your turn!

- Grab a handful of your LEGO bricks.
- See how many ways you can arrange those bricks to build a unique creation!
- Don't forget to share your creation. #LEGOcreativitymonth
